About Us

Til Death Events is a bespoke event styling company curating exciting and innovation events for our couples along the East Coast of Australia. During our decade in business, we have accumulated a unique collection of decor hire which we have decided to share with you for the first time ever!

These items are available exclusively to Northern NSW and South East QLD couples.

Our hire items have been purchased to keep in line with our ethos that weddings should be a unique reflection of your personal style.

Many of these pieces are one of a kind with their own special history and backstory.
